EDUCATION

Swami Vivekananda Subharti University, Meerut
B. Tech in Computer Science and Engineering (2019–2023)
GPA: 8.5/10

PROFESSIONAL EXPERIENCE

Techwarezen Pvt Ltd, Noida

Backend Developer (March 2023 – Present)

- Developed web applications using Java, PHP, Spring Boot, and MySQL, ensuring robust backend solutions.
- Integrated third-party APIs seamlessly into both Java and PHP applications.
- Collaborated with frontend teams using React, HTML, CSS, and JavaScript to enhance website functionality.
- Optimized existing systems and databases for scalability and usability improvements.

PROJECT

Evara – E-commerce Website

- Built a complete E-commerce platform with HTML, CSS, JavaScript, PHP, and MySQL.
- Developed core features such as product browsing, shopping carts, and order processing.
- Ensured secure user data management and order tracking through MySQL integration.

Auracle – Web Application

- Contributed to backend development using PHP, modifying codebases and databases for better functionality.
- Collaborated effectively with the team to resolve technical challenges and implement new features.

Disawar – Full Stack Web Application

- Worked as a full stack developer to enhance user experience and application usability.
- Integrated MySQL for secure data handling, including user information and product management.
